American Medical Association chief visits Marshall Thursday

Dr. Randolph D. Smoak Jr. of Orangeburg, S.C., president of the American Medical Association, and John Seymour, president of the Decatur Chamber of Commerce, will visit Marshall Thursday. They will receive overview briefings and visit the Structural Biology Lab and the Productivity Enhancement Complex.

See Starship 2040 from 2-4:30 p.m. Thurs.; 8 a.m.-2 p.m. Fri., north loop, Bldg. 4203

NASA Exchange Space Shop closed Jan. 31 for inventory

Project leadership class Jan. 29-Feb. 2 at Marshall

A five-day project leadership class will be Jan. 29-Feb. 2. The program teaches how to use computer simulation to build a thorough project plan and then implement the plan in a realistic environment. To register, send MSFC Form 4280 to CD20/Renee Higgins by close of business Friday. For more information, call 544-8864.

Pick up 'Power to Explore' in Bldg. 4200, room 101C

The Marshall history book, "Power to Explore," is available for distribution to those who will have 15 years of government service by Sept. 30. If you have not picked up your copy, these are available from 9 a.m.-3 p.m. in Bldg. 4200, room 101C, until Jan. 31.

Buses to Space Transportation all-hands depart at 8:30 a.m., Fri., from Bldgs. 4203, 4666 and 4732
